# MODULAR-MINDED AXLES

With modular thinking, modular processes and modular product configurations, we already provide answers today for the functional, economic and logistic challenges of tomorrow.

## 6 SUCCESS FACTORS FOR YOUR AUTOMOTIVE CONCEPT OF THE FUTURE:

- 1 MODULAR AXLE DESIGN**  
Proven modular system for complete drive trains – comprising tried-and-tested components.
- 2 MODULAR CUSTOMISATION**  
Highly specific, quick and economical customer solutions – with modular development and implementation.
- 3 MODULAR INNOVATION**  
All new developments in our customer's needs is directly integrated into the modular system.
- 4 MODULAR PRODUCTION**  
Fluid, customised fabrication based on the modular building block and modular procurement concept.
- 5 MODULAR REPAIR & MAINTENANCE**  
Easy repair and spare parts system – by replacing modules, lifetime costs and downtimes are minimised.
- 6 MODULAR SPIRIT**  
Corporate culture continually strives to introduce customer-specific competitive advantages.

# BOGIE AXLES FAMILY

NAF'S MODULAR BOGIE AXLES COVERING THE WIDEST RANGE IN OFFROAD APPLICATIONS WITH PROVEN RELIABLE DESIGN FOR 40 YEARS.

**PLANETARY BOGIE AXLE WITH OFFSET**

**Product features:**

- > The TAP axle with offset is especially designed for forestry and offroad applications
- > It can be regarded as our longstanding standard solution which is highly appreciated on the market
- > Despite the elevation it is a compact and lightweight product

## PORTAL BOGIE AXLE

### Product features:

- > The PTA axle product range was especially designed for forestry and offroad applications which require a very high spread of ratio possibilities
- > The axles are designed with a portal housing for optimised ground clearance
- > Moreover, all PTA models can be equipped with the patented "Permanent Bogie Balancing System" (PBBS®)
- > PBBS® increases the tractive effort by counteracting the bogie lifting effect

## PLANETARY PORTAL BOGIE AXLE

### Product features:

- > The PTA axle product range was especially designed for forestry and offroad applications which require a very high spread of ratio possibilities
- > The axles are designed with a portal housing for optimised ground clearance
- > Additionally equipped with a planetary drive on the wheel ends, these axles provide deeper ratio and higher torque than standard bogie axles
- > Moreover, all PTA models can be equipped with the patented "Permanent Bogie Balancing System" (PBBS®)
- > PBBS® increases the tractive effort by counteracting the bogie lifting effect

# FOR YOUR HEAVY DUTY PLAYGROUNDS

As the leading market manufacturer of drive trains for self-propelled forestry machines, NAF has been tackling a wide variety of the most extreme deployment conditions for many decades. The modular system, which has evolved from this set of requirements, covers the individual assignments that need to be met by heavy-duty vehicle manufacturers across many different sectors. With this passion, which made us the market leader for drives in forestry machines, we create your individual drive solutions.

NAF • MODULAR-MINDED AXLES

# FOR YOUR HEAVY DUTY PLAYGROUNDS

NAF's drive solutions are modelled for their special use and application. Our modular designs and the experience from more than 621 projects are the basis to satisfy your requirements in the most efficient way. We are pleased to present our comprehensive product portfolio!

## RIGID AXLES

## STEERING AXLES

## GEARBOXES

NAF AG is particularly proud of the awards given to us by our customers that honour our outstanding achievements and cooperative partnerships on all levels.

This is our benchmark for all customer relations.

NAF is the expert for power transmission, traction and load capacity on mobile working machines. Our gears and axles create a substantial competitive advantage in the heavy-duty off-highway industry. As a system partner we have been mastering the tasks of our market-leading customers since 1960 and invest 5% of our annual turnover into research and development.

As our customer you benefit directly from our passion for innovation that guarantees your success.
